LIGHT AND LIFE

Volume 1, Issue 1

7.23.10

welcome!

light and life alumni 7.23.10

Welcome to the first Light and Life Alumni Newsletter! If you are like me, Light and Life has played a significant role in your life. Whether you attended from pre-school until 8th grade, or just for a few years, you are welcome to sign up for our Alumni Newsletter.

Even though Light and Life has been around for decades, having thousands of students passing through, there has never been an alumni association. This newsletter is the beginning of just that!

Every month, we will have stories about what is going on at L&L currently, bio's on alumni, as well as information on alumni "get-togethers". If you are interested in contributing a bio, or help with arranging different events please feel free to contact me.

Thank you!

Andrew Kish

kish002@hotmail.com

Andrew Kish is the current Administrator of Light and Life, he is a graduate of L&L, and has worked as a daycare aid, supervisor, teacher, youth pastor, vice-principal, and administrator.

alumni bio: amanda groenberg endermann

Our first Alumni bio is on a woman who has been part of Light and Life for the majority of her life! Amanda Groenberg (now Endermann) began attending L&L in pre-k and ended as the valedictorian of her 8th grade class!

Just a few short years after

that graduation, she began working at L&L as a daycare aid. She has worked there ever since, and is currently the 4th grade teacher.

Some of the things that Amanda loved about L&L were Spirit Week at Oak Hill, Mrs. Morris' 7th grade class, leading the Summer

daycare program, and playing in the band...which is where she met the man she married in 2009, Isaac Endermann, who now also teaches at L&L!

scholarship fund

Having been a part of Light and Life for nearly 22 years, I have seen the impact that this school can have on students. Although our school is one of the most affordable private schools in the area, many families are in need of scholarships.

Donations to our scholarship fund allows future alumni to experience the great environment that Light and Life has to offer. The tough economy has had a major effect on giving, meaning that our scholarship fund is very low! Your tax-deductable donations can help us to extend quality, Christian education to

students throughout the county!

Making a donation to our scholarship fund is easy, simply send your donation to:

Light and Life
120 North Ash Street
Escondido, CA
92027

Make sure to note that the donation is for the scholarship fund. You will receive a receipt for tax purposes.

If you'd rather stop in and donate, we would love to see you and hear about your memories of Light and Life!

your gifts matter!
